

WAM is committed to providing equal opportunity in all our activities and to ensuring that discrimination does not occur.

We strive in all our activities to reflect the diversity of the local community and to ensure that our services are provided appropriately.

Legislative Framework

WAM will ensure that all our policies and procedures meet with both the letter and spirit of the following current laws:

- Equal Pay Act
- Sex Discrimination Acts
- Race Relations Act
- Race Relations Amendment Act
- Disability Discrimination Act
- Human Rights Act
- Employment Directive
- Employment Equality (Age) Regulations

It is against the law to treat a person less favourably than you would treat another on the grounds of:

- Sex (gender)
- Race, colour, ethnic or national origin
- Marital status
- Disability
- Religion or belief
- Sexual orientation
- Age

We are responsive to the needs of local people and recognise the importance of removing barriers to communication. Individuals will be consulted about their communication needs and preferences.

WAM builds closer links with those who may be subject to discrimination. We will use our influence within the local community to lead by example and work in partnership with other local agencies to promote equalities. We will seek to ensure that all Contractors directly supplying goods and services or working on behalf of WAM comply with the relevant statutes and encourage good practice.

Putting the policy into action

Putting the policy into practice is the responsibility of all members of the Executive and any officers acting on their behalf, especially overseers and site managers, who are expected to comply with both the spirit and wording of the policy.

Remedies

Tenants, contractors or visitors who feel they have been discriminated against should refer their complaint in person to one of the WAM committee, via email to Secretary@wamplots.org or in writing using the address on the site notice board.
